Submitted to His Highness.

At present, the Chief Engineer in Mysore is not only the Head of the Department of Public Works (including Krishnarajasagara and allied Works), but is also the Secretary to Government for Public Works, Electrical and Railway Departments. The combined charge is a very heavy one and in the interest of efficiency and prompt despatch of work, it is found necessary to give him some relief.

The question was considered in Council on 30th March 1936 when the following resolution was recorded:-

"The Railway Secretariat may be transferred to the Chief Secretary, in order to afford relief to the Chief Engineer and Secretary, Public Works Department."

The above proposal may be graciously approved.
